Dear Cherished Client,

FACTS YOU MUST KNOW ABOUT GOLD COAST FUND MANAGEMENT

2015	621,945,072.74
2016	609,894,000.95
2017	1,347,170,495.25
2018	1,430,522,135.99

What do these numbers mean? These are amounts not in old but New Ghana Cedis that Gold Coast Fund Management has paid back to its customers in recent years.

During this challenging period, the company has paid nearly 60 million Ghana Cedis to customers and this continues.

With 100,000 retail customers, GCFM has assured customers about plans to prudently manage investments it has made and also what it is doing to redeem funds from ongoing projects and other companies it has placed funds with.

Gold Coast Fund Management remains open for business, engages customers daily and is working with its regulator to find better solutions to meet the needs of its customers.

Even more important, Management is mobilizing funds to meet the needs of pensioners, urgent situations and settle arrears due from transactions processed last year.

These are the facts.
